

**THIS IS A SOURCES SOUGHT NOTICE ONLY. THIS IS NOT A REQUEST FOR PROPOSALS.**

The intent of this notice is to identify potential offerors for market research purposes. The Naval Facilities Engineering Command (NAVFAC) Far East, PWD Sasebo, is currently seeking interested contractors who are both willing and qualified to provide the required services below:

Operation and Maintenance Services for Swimming Pool Water Treatment System at the following facilities at Main Base and Hario Housing:

- Facility #430: Main Base Indoor Training Pool
- Facility #1454: Main Base Recreation Pool including Wading Pool
- Facility #5117 Hario Village Recreation Pool

The Contractor shall furnish all labor, supervision, management, tools, materials, equipment, facilities, transportation, incidental engineering, and other items necessary to provide the services at Commander, Fleet Activities, Sasebo (CFAS), Japan and outlying areas supported by this installation under CFAS, under a performance-based contract that is comprised of both Recurring Work and Non-Recurring Work Items.

Note: Personnel handling chemicals for water treatment system is required to have a license of Hazardous Material Engineer (危険物取扱者).

The Government is contemplating issuing a Commercial solicitation in accordance with FAR Part 12. The Government is contemplating a multiple year (one year base period and four one-year option periods) single award Indefinite-Delivery Indefinite Quantity (IDIQ) type performance based service contract comprised of Recurring Work and Non-Recurring Work Items.

If you are interested in this requirement or have any feedback or questions about potentially performing this requirement, please complete and submit Attachment (1): KTR Information. Please provide any comments/recommendations/questions in this form. The response will be used as market research to help determine the acquisition method utilized by the Government for this requirement.

If you are capable of and interested in performing this requirement, please complete and submit Attachment (1): Contractor Information. Please provide any comments/recommendations/questions in this form regarding the acquisition approach and/or the requirement. The response will be used as market research to help determine the acquisition method utilized by the Government for this requirement.

In order to be eligible for any U.S. Government award, a contractor must register in the “System for Award Management” at [www.sam.gov](http://www.sam.gov) and have a valid CAGE code. Interested contractors are encouraged to begin the registration process as soon as possible.

Please submit the information to Masayo Sonoda via e-mail at [masayo.sonoda.ln@us.navy.mil](mailto:masayo.sonoda.ln@us.navy.mil), no later than **12:00 pm on 20 AUG 2024**, using the subject line “Sources Sought for Swimming Pool”.
