ALL SASEBO AREA CONSTRUCTION CONTRACTORS:

SUBJECT: CONSTRUCTION QUALITY MANAGEMENT FOR CONTRACTORS
TRAINING

NAVFAC Guide Specifications 01 45 00.10 33 / 01 45 00. 20 33 require Construction Quality Control Managers (CQM) to be trained and certified in Construction Quality Management (CQM). Only those personnel that possess a certificate of training and meet all requirements as stated in each contract specification will be approved to serve as QC Manager for NAVFAC Far East construction contracts.

Facilities Engineering and Acquisition Department (FEAD), Sasebo, will be offering one session of this training on 16 May 2025. This session is for those contractors that desire to have personnel trained to perform the duties of Quality Control Manager. The training will be held in the Education Center, Building 155, Main Base. This building is located in the ways to U.S. Fleet Activities, Sasebo (CFAS) Headquarters, Bldg. 80.

Each person that successfully completes this training will receive a certificate of completion that will be valid for a period of five years.

Please submit written nominations for this training to Facilities Engineering and Acquisition Division (FEAD) Sasebo, Attn: Mr. Koichi Kamogawa not later than 18 Apr 2025. The POC for information concerning this training is Mr. Koichi Kamogawa at 0956-50-2505, and email koichi.kamogawa.ln@us.navy.mil. Seating will be limited. Should the number of nominees exceed the capacity for this training session, another session would be scheduled in May 2026.

K. Kamogawa
CQM Facilitator
